Assistant Director for Operations

4 June 1956

Acting Chief, FBID

Long Term Loan of Equipment to BEC/MS

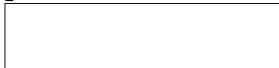

1. The BEC Monitoring Service needs four radio communications receivers of American manufacture of a specific type, with a total value of about \$3600. These receivers will enhance the Monitoring Service operation and will improve the net product available to FBIS. Since BEC does not have dollars with which to purchase American equipment, it is proposed that FBID furnish the receivers to its London Bureau, for issue in turn to the BEC/MS on memorandum receipt.

2. Your concurrence is requested.
